Quick Releases

1 A CLEAN BIKE IS A HAPPY BIKE

If you ride in the sloppiest of conditions, check out the Muc-Off Race Kit. The \$33 Muc-Off mesh bag Race Kit includes one liter of Muc Off, one can of bike spray, a brush, and a large microcell sponge. Muc-Off, (562) 945-1098.

2 SOCK IT

NLZ socks are made of CoolMax, nylon and Spandex. The NLZ socks sell for \$5.95, and they offer custom socks for companies and universities. NLZ, (949) 697-5944.

3 IN FASHION

Troy Lee Designs has much more to offer than stylish race gear and helmets. Check out the Corona and Octane T-shirts. Both cotton shirts have water-based graphics and sell for \$20. TLD, (951) 371-5219.

4 PERFECT COMBINATION

AXO's \$37 Padlock gloves are made from a mix of mesh and Spandura and have a perforated Clarino palm. The gloves feature Airprene knuckle pads and a slip-on closure. AXO, (661) 257-0916.

5 RIDE GUIDE

e.thirteen's LG1 (Light Guide) chainguide was developed to meet the demands of downhill racing. The LG1 is a lightweight (just 6.8 ounces) and reliable chain retention system used by World Cup-winning downhill and 4-Cross racers. The LG1 is compatible with all chainring bolt patterns and chainring sizes 34T-44T. e.thirteen components, (978) 537-9313.
